

Free Power Workshops will be facilitated by
Monster.com industry professionals.
Workshops Include:

- **Power Resume Writing**

Learn about the various “ what's” and “ why” of resume writing, including keywords, formatting and avoiding common mistakes.

- **Power Interviewing**

Learn how to brand yourself, how to effectively research an organization, what to bring and what to wear, and techniques for follow up.

- **Power Networking**

Learn what networking is and how to make it work for you.

- **Job Hunting Strategies**

Learn how to remain focused during career transitions, how to jump start the job search and where to find additional resources.

- **Online Career Search Tools**

Learn how to utilize online career tools to maximize your job search potential.

Your calling is calling™

Presents

“Empowerment 2010”

DeKalb Workforce Development (DWD) along with Monster.com is hosting an action packed day filled with free **Power Workshops**, advice and resources from industry professionals that will empower jobseekers to find a job and successfully manage their careers.

Attendees will also have the opportunity to attend a **Job Fair** with selected employers who are actively recruiting for several positions. This will allow jobseekers to immediately implement the tools learned in these dynamic workshops.

In support of DeKalb County's vision for **Entrepreneurship** and **Small Business Development**, DeKalb Workforce Development will also host a **Small Business Spotlight** for DeKalb County's small businesses.

Don't miss this exciting event!
